How can something be created from nothing? How does Genesis relate to the New Testament and Christian faith?

In this eight-week study, homiletics professor and pastor J. Ellsworth Kalas approaches Genesis as a very personal and almost intimate book. Instead of viewing it as an academic study or as a puzzle to be solved, the author reads Genesis in a very personal, up-close way. Easy-to-follow, step-by-step suggestions for leading a group are provided, as well as questions to facilitate class discussion.

*Immersion*, inspired by a fresh translation—the *Common English Bible*—stands firmly on Scripture and helps readers explore the emotional, spiritual, and intellectual needs of their personal faith. More importantly, they'll be able to discover God's revelation through readings and reflections.
