Taken Into Custody: The War Against Fathers, Marriage, and the Family Stephen Baskerville

Taken into Custody' exposes the greatest and most destructive civil rights abuse in America today. Family courts and Soviet-style bureaucracies trample basic civil liberties, entering homes uninvited and taking away people's children at will, then throwing the parents into jail without any form of due process, much less a trial. No parent, no child, no family in America is safe. The legal industry does not want you to hear this story. Radical feminists, bar associations, and social work bureaucracies have colluded to suppress this information. Even pro-family"" groups and civil libertarians look the other way. Yet it is a reality for tens of millions of Americans who are our neighbors.
