## **Akubra is Australian for Hat** Grenville Turner

This is the story of the history-making hat that has been a part of Australian life since 1912. In *Akubra Is Australian for Hat*, Grenville Turner takes us on a journey with this unique Australian institution.

Aussies have lived, loved, and died under their Akubras, and wearing one has been a longstanding tradition throughout the continent. The Akubra does it all. It provides shade from the harsh Australian sun, works as a fan on a hot day, keeps snakes at bay, serves as a water jug for a horse, and swats away flies. It can even be worn as a hat. Go figure.

This book isn't just about history. Its tone is witty and lighthearted, and breathes that famous Aussie attitude - you'll have no worries as long as you have your Akubra in hand (or on head.)
