Myths and Truths About Coyotes: What You Need to Know About America's Most Misunderstood Predator Carol Cartaino

Coyotes hold a peculiar interest as both an enduring symbol of the wild and a powerful predator we are always anxious to avoid. This book examines the spread of coyotes across the country over the past century, and the storm of concern and controversy that has followed. Individual chapters cover the surprisingly complex question of how to identify a coyote, the real and imagined dangers they pose, their personality and lifestyle, and nondeadly ways of discouraging them.
