The Dramatic Writer's Companion: Tools to Develop Characters, Cause Scenes, and Build Stories (Chicago Guides to Writing, Editing, and Publishing) Will Dunne

Moss Hart once said that you never really learn how to write a play; you only learn how to write *this* play. Crafted with that adage in mind, *The Dramatic Writer's Companion* is designed to help writers explore their own ideas in order to develop the script in front of them. No ordinary guide to plotting, this handbook starts with the principle that character is key. "The character is not something added to the scene or to the story," writes author Will Dunne. "Rather, the character *is* the scene. The character *is* the story."

Having spent decades working with dramatists to refine and expand their existing plays and screenplays, Dunne effortlessly blends condensed dramatic theory with specific action steps—over sixty workshop-tested exercises that can be adapted to virtually any individual writing process and dramatic script. Dunne's in-depth method is both instinctual and intellectual, allowing writers to discover new actions for their characters and new directions for their stories.

Dunne's own experience is a crucial element of this guide. His plays have been selected by the Eugene O'Neill Theatre Center for three U.S. National Playwrights Conferences and have earned numerous honors, including a Charles MacArthur Fellowship, four Bay Area Theatre Critics Circle Awards, and two Drama-Logue Playwriting Awards. Thousands of individuals have already benefited from his workshops, and *The Dramatic Writer's Companion* promises to bring his remarkable creative method to an even wider audience.
