the Emergence of Women Into the 21st Century (National League for Nursing Publication) Patricia Munhall

On the verge of entering the 21st century, women today are living in a n age of restlessness and flux. This outstanding interdisciplinary com pilation links post-modern perspectives on women's development and pot ential with health, political contexts, relationships, culture, age, e ducation, social conditions, and economic status. A diverse group of w riters offer their insights and ideas for improving the condition of a ll human beings through the augmentation of women's potential. More t han a cursory view of women's experiences, this remarkable book examin es contemporary issues in the context of actual eventsmilestones that have affected or will affect every woman today, in the 21st century, a nd beyond.
