The European Union's Democratization Policy for Central Asia: Failed in Success or Succeeded in Failure? (Reading & Training - Elementary - Step 3 Book 11) Vera Axyonova

The European Union has developed a range of instruments to promote democracy and human rights worldwide. However, the success of its democratization efforts remains questionable in countries that lack an EU membership perspective. Vera Axyonova's study offers the first comprehensive evaluation of the micro-level effects of the EU engagement in Kyrgyzstan and Uzbekistan and examines the factors that have made the EU efforts more or less successful in Central Asia.
