**Vengeance Hammer** Jianne Carlo

*Can a Viking forgive the woman who cheated him of his vengeance?*

All Draddor has to do is kill the Earl of Caithness, wed the man's daughter, and vengeance would be his and the oath to his father would be fulfilled. But when he arrives at Caithness, the earl is already dead, poisoned by own wife. And when he finds the earl's daughter, the Lady Xara, he find she's unable to speak. Unwilling to be thwarted, Draddor marries her anyway to claim the earl's lands and title, knowing King Kenneth could not fault him for later casting her aside.

Desperate to protect her family, Xara willingly weds the Viking. She must win Draddor to her side before he discovers the secret that will destroy all. But the Saracen warrior, Niketas, has other plans. He needs the blood of two virgin half-immortals to win eternal life and the powers of the gods. Until the god Heimdallr, Xara's true sire, makes it clear he has other plans for his beloved daughter...
