Journalists trade in words. Using language accurately, clearly, and consistently is part of their job—and this skill is equally important for writers and editors. *Watch Your Words* is designed as a handbook for quick and accessible classroom and newsroom use. Consistent with *The Associated Press Stylebook*, it establishes a baseline for language-skills knowledge in the areas of punctuation, grammar and usage, as well as AP style. Self-tests, answer keys, and sections on spelling and copyediting symbols are also included. Mastery of the material in *Watch Your Words* can equip the student or professional with the basic tools for producing clean copy.
