It is filled with rare and wonderful stories of saints, heroes, cowboys, bandits; descriptions of exotic dances and fiestas; accounts of strange customs and ceremonies.

All the folk arts... pottery making, gold and silver work, carving, weaving, hand-drawn work... are thoroughly described and lavishly illustrated with line drawings and photographs.

Included are over 100 songs with music and words in both Spanish and English. Many of these songs and much of the music, directly transcribed by the author or her associates, had never been available to the public before this.
