## Finding Colin Firth: A Novel Mia March

**From the author of *The Meryl Streep Movie Club*, "a heartwarming, spirit-lifting read just in time for beach season" (*Kirkus Reviews*), comes a new novel about three women, connected in secret and surprising ways, who are in for a life-changing summer when rumor has it that actor Colin Firth is coming to their Maine town to film a movie.**

After losing her job and leaving her beloved husband, journalist Gemma Hendricks is sure that scoring an interview with Colin Firth will save her career *and* marriage. Yet a heart-tugging local story about women, family ties, love, and loss captures her heart--and changes everything. The story concerns Bea Crane, a floundering twenty-two-year old who learns in a deathbed confession letter that she was adopted at birth. Bea is in Boothbay Harbor to surreptitiously observe her biological mother, Veronica Russo--something of a legend in town--who Bea might not be ready to meet, after all. Veronica, a thirty-eight-year-old diner waitress famous for her "healing" pies, has come home to Maine to face her past. But when she's hired as an Extra on the bustling movie set, she wonders if she's hiding from the truth . . . and perhaps the opportunity of a real life Mr. Darcy.

These three women will discover more than they ever imagined in this coastal Maine town, buzzing with hopes of Colin Firth. Even the conjecture of his arrival inspires daydreams, amplifies complicated lives, and gives incentive to find their own romantic endings.

## Praise for *The Meryl Streep Movie Club*

"Consume with a bowl of popcorn and plenty of hankies." --*Publishers Weekly*

"This is a fun, highly-readable story that begs to be discussed and should be a winner with book clubs!"  
--**Beth Hoffman**, *New York Times* bestselling author of *Saving CeeCee Honeycutt* and *Looking For Me*
