## **Peggy and Me** Miranda Hart

From the best-selling author of *Is It Just Me?*, Miranda Hart, comes the hilarious account of her life with her close companion, Peggy, a gorgeous white bichon frise.

For years Miranda viewed dog owners with some suspicion. She was bored by the way they talked only about their pooches, alarmed by their light coating of dog hair and troubled by their apparent comfort around excrement. But that all changed when, nine years ago, Miranda met Peggy, a gorgeous shih tzu-bichon frise cross (Miranda calls the breed a shitty frise).

She was exceptionally cute (the dog) and very smart (again, the dog), and they bonded from their very first meeting. Their love quickly blossomed, and they became inseparable.

Since then Miranda's life has had its ups and downs - when they first met there was no such thing as a sitcom called *Miranda* - and she candidly charts this in the book. No one has been more surprised than Miranda herself that it's been her wonder dog who has taught her the best life lessons, taken her on hilarious adventures and become her smart-talking but utterly loyal and loveable best friend.
