Pamela Sisman Bitterman

Sailing to the Far Horizon: The Restless Journey and Tragic Sinking of a Tall Ship Pamela Sisman Bitterman

The tall ship *Sofia* sank off New Zealand's North Island in February 1982, stranding its crew on disabled life rafts for five days. They struggled to survive as any realistic hope of rescue dwindled. Just a few years earlier, Pamela Sisman Bitterman was a naïve swabbie looking for adventure, signing on with a sailing cooperative taking this sixty-year-old, 123-foot, three-masted gaff-topsail schooner around the globe. The aged Baltic trader had been rescued from a wooden boat graveyard in Sweden and reincarnated as a floating commune in the 1960s. By the time *Sofia* went down, Bitterman had become an able seaman, promoted first to bos'un and then acting first mate, immersing herself in this life of a tall ship sailor, world traveler, and survivor.
