The Chief Operating Officer: Managing A Law Firm in Challenging Times Arthur Gurwitz
The practice of law and the business of law, increasingly an international business, co-exist in a world of interconnected, intertwined and interdependent forces where everything matters, where societal issues, geopolitical issues, economic issues and climate issues have as much impact on the practice and the business of law as traditional business issues and on the Chief Operating Officer position. To an extent never before experienced, the legal world has been indelibly impacted and shaped by the convergence of a large number of significant issues that the author discusses and explores in depth throughout the book.
