Walking on Air: The Memoirs of a Paraplegic Sky Diver James A McGowan

Walking on Air is the exciting, sometimes hazardous, pioneering adventure of two paraplegics, Jim McGowan and Jim Thomann, who were determined not to allow their disabilities to dictate the course of their lives. To them, the sky was literally the only limit they recognized. Together, they set records and performed sky dive maneuvers thought unattainable by paralyzed individuals. In their willingness to challenge the unknown, they were joined by a host of non-disabled men and women, sky divers and friends, to prove the truth of the sky diver's maxim that, 'When skies call, they call to all.'
