## **You Herd Me!: I'll Say It If Nobody Else Will** Colin Cowherd

*There are really two games, the one you see and the one you don't. The way I see it, the best way to use access to both worlds is to illuminate and reveal, not idolize and adore. It's better to be wrong than to be played for a fool. – Colin Cowherd*

In this age of billion dollar athletic marketing campaigns, “feel good” philosophy with no connection to reality, and a Sports Media echo chamber that’s all too eager swallow whatever idiotic notion happens to be in vogue at the moment, it’s tough to find people who aren’t afraid to say what they’re really thinking.

But that’s where Colin Cowherd comes in. As his millions of fans on ESPN Radio and ESPNU already know, Colin is the rare sports analyst who’s brave (or crazy) enough to speak his mind—even if it pisses some people off. Of course, it helps that a lot of what Colin has to say is simply hilarious. Lots of writers can tell you about Boston’s storied sports history. But how many can tell you why the city of Boston is America’s five year old? Lots of writers will brag about the stuff they got right, but how many will happily list all the calls they got completely and utterly wrong? Whether he’s pointing out the stupidity of conspiracy theories, explaining why media bias isn’t nearly as big a deal as many assume, or calling out those who prize short term wins over sustainability, Colin is smart, thought-provoking, and laugh-out-loud funny. Some of the questions he’s not afraid to ask in *You Herd Me!* include:

Is Tiger Woods *really* a sex addict—or does he just have good PR?

Is “work-life balance” *really* the ideal we should all strive for—or is that just a way for people feel better about mediocrity?

Is talent *really* all it’s cracked up to be—or can too much talent actually be counterproductive?

Is the X games *really* a sport—or would we all be better off if we admitted it’s something else entirely?

Is Hell *really* a supernatural place of fire and brimstone—or is it actually just another word for living in Tampa?

Unapologetically entertaining and packed with behind-the-scenes insights you won’t get anywhere else, *You Herd Me!* is unlike any other sports book ever written.

#### **Paul Dubose:**

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this You Herd Me!: I'll Say It If Nobody Else Will can make you experience more interested to read.
