## Hopper: A Journey into the American Dream Tom Folsom

As unconventional a biography as Dennis Hopper was a man, *Hopper: A Journey into the American Dream* by Tom Folsom charts his roller coaster life and career through the lens of the landscape of American popular culture.

The chopper-riding hippie outlaw in *Easy Rider*. The prophetic madman in the jungle in *Apocalypse Now*. The terrifying psychopath in *Blue Velvet*. The kid gone wrong in *Rebel Without a Cause*. The actor taken under the wing of James Dean, a friendship that set Dennis Hopper on his path to becoming a star. A quintessentially American dreamer longing to be the next Orson Welles. The hell-raising director who revolutionized Hollywood.

Dennis Hopper's extraordinary journey takes him to superhero highs and plummeting lows. Capturing the magic and the madness of his American Dream, *Hopper* is a wild ride through Dennis's many lives. Written in a rebel spirit, complemented with iconic photographs, and packed with insights from his fellow actors, artists, and friends, *Hopper* tells the story of a half-century of rebellion waged at the edge of pop culture.
