Restoring the Republic: A Clear, Concise, and Colorful Blueprint for America's Future Devin Nunes
Our republic is imperiled. At a time of unprecedented government spending, historic deficits, and gathering foreign threats, America stands at a crossroads. We can either reassert fiscal discipline and reduce the government to the size envisioned by our Founders, or we can continue on the current path of spending ourselves into oblivion. In *Restoring the Republic*, Republican Congressman Devin Nunes lays out a detailed agenda for solving the menacing problems that threaten our nation's future. Born and raised in the breadbasket of California, thirty-six-year-old Nunes has seen firsthand how the convergence of big government, big business, and the radical Left has wreaked havoc on entire communities, turning the once-thriving farmland of the San Joaquin Valley into a blighted desert reminiscent of the Dust Bowl. Now the same forces are doing their damage on a national level, threatening America's very foundation. But Nunes has a plan to stop them.
