## **The Best Twelve Years** Peter Gould

The Best Twelve Years is an autobiographical account of a young English boy, born and raised in India during the British Raj. Having been launched into his career in the RAF at the start of World War II, it tells of how, isolated from his family, he faced the confronting world of wartime Britain, where he soon experienced first hand the effects of Nazi bombing. His passion for flying, along with a burning desire to strike back, soon leads him to the ranks of Bomber Command and their elite Pathfinders.

Moving to Transport Command after the war, his involvement in flight-testing some of the technology that has now become standard aviation equipment, he travels to RAF stations in a dozen countries during the diminishing years of the British Empire. Through hardship, disappointment and triumph, this book matures with its author's recollections, and so holds a personality of its own, to emerge a man of reflection, and the acceptance of fate as a philosophy for life.

#### **Guadalupe McCoy:**

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The Best Twelve Years can make you feel more interested to read.
