???????????? The Heart of Management (????????????) (Japanese Edition) ?? ??

How did Konosuke Matsushita concretely deal with the full range of functional areas and concepts of corporate management, including basic management principles, organization, product development, production, sales, accounting, and personnel? This volume attempts to answer those questions by presenting a compendium of good management. It is a carefully considered selection of Matsushita's thought on these issues, designed to provide a reliable compass for negotiating the route to management success even in the most difficult of business.??
