Ask Graham Graham Norton

Now in paperback, Graham's drily hilarious *Daily Telegraph* advice columns

"Remember that sleeping with friends is lazy and selfish: we don't cook our pets just because we're hungry and they're sitting right by the oven." —Graham on troublesome relationships

"Dogs and DIY are where relationships end up, not where they start." —Graham on looking for love

"Stay on the moral high ground—it's much easier to swing a baseball bat from there." —Graham on forgiving betrayal

Graham Norton is not only a hilarious and fearless television host, but a weekly agony uncle, advising readers of the *Telegraph* on a weekly basis. Here, his witty, entertaining, helpful responses are collected for everyone to benefit from his words of wisdom. With a foreword by Graham and many responses updated since they first ran in the newspaper, this book of inimitable advice covers a range of subjects, including ungrateful spouses, errant partners, failing relationships, problems in the workplace, and social etiquette. Each perfectly-pitched response includes just the right mixture of sound advice, humor, and, occasionally, reprimand.

From reader reviews:

Maria Jennings:

Reading can called head hangout, why? Because if you are reading a book especially book entitled Ask Graham your head will drift away trough every dimension, wandering in each and every aspect that maybe unfamiliar for but surely can be your mind friends. Imaging just about every word written in a reserve then become one form conclusion and explanation which maybe you never get before. The Ask Graham giving you one more experience more than blown away your thoughts but also giving you useful information for your better life within this era. So now let us demonstrate the relaxing pattern the following is your body and mind will likely be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Nancy Lowery:

This Ask Graham is great publication for you because the content which is full of information for you who else always deal with world and get to make decision every minute. This kind of book reveal it details accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but challenging core information with attractive delivering sentences. Having Ask Graham in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world inside ten or fifteen small right but this book already do that. So , it is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

Wesley Jerkins:

As we know that book is significant thing to add our expertise for everything. By a e-book we can know everything we really wish for. A book is a set of written, printed, illustrated or blank sheet. Every year was exactly added. This e-book Ask Graham was filled in relation to science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading some sort of book. If you know how big good thing about a book, you can truly feel enjoy to read a reserve. In the modern era like currently, many ways to get book which you wanted.

Christopher McCormick:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Ask Graham can make you experience more interested to read.
