## **Destroying the Root of Racism** Ron Webb

Racism is not a skin problem, it is a **SIN** problem. Bishop Webb preaches that violence begets violence, but unity with the brethren will always invite the Holy Spirit in. Recognizing that you can be angry and sin not, Dr. Webb believes that righteous anger turns ordinary people into heroes who shape the course of history. He invites us to be part of the solution, and urges those hurt by racism not to let the adversity destroy their character, but instead let it define their character. Consistency is powerful, and Dr. Webb opens our eyes to the consistent opportunities to stand firm in our conviction that if God is no respecter of persons, we should follow His example and embrace our differences with Christ-like love.
