Honoré de Balzac

La búsqueda del absoluto (Otras Latitudes nº 5) (Spanish Edition) Honoré de Balzac

La búsqueda del absoluto constituye una detallada crónica de la aventura espiritual de Balthazar Claës, arquetipo de héroe metafísico que intenta descubrir el secreto del absoluto, es decir, la unidad de la materia. Este genio sombrío arruinará a su familia; su esposa y su hija soportan su monomanía, no tanto para salvar sus bienes como por el amor que sienten hacia él. Las dos mujeres defienden el orden familiar y sentimental; el alquimista lo destruye en nombre de otro orden.

La riqueza y la precisión en los detalles, la observación y descripción minuciosas de Balzac nos transportan a la pintura flamenca.

En esta novela se encuentran muchos de los elementos de la literatura de este autor: es un maestro en los estudios de las costumbres y un visionario de una ciencia y una humanidad ideales. Están presentes todos sus temas habituales y, también, todos sus modos de composición.
