The Delta Anomaly (Star Trek: Starfleet Academy Book 1) Rick Barba

The year is 2250, and it has been six months since James Kirk joined Starfleet Academy. A rebellious young man, Kirk is used to doing things his way--and whenever he feels like it. However, the Academy is changing him little by little, showing him how to transform his headstrong attitude and ambition into qualities that make him a leader. Kirk's behavior often brings him to clash with another Starfleet Academy member, a half-Vulcan, half-human named Spock. This book series will delve into the lives and relationships of Kirk and the other recruits at the Academy, their training, their missions, and their romances.

In *The Delta Anomaly*, a shocking San Francisco crime shakes up Starfleet Academy, entangling Kirk, McCoy, Uhura, and Spock.... and turns out to have chilling intergalactic implications.
