**Write It! A Guide for Research** Elizabeth M Bankhead, Janet Nichols, Dawn Vaughn

Leading students step-by-step through the research process required for writing term papers, this guide covers everything from reading for background information and keywords and applying advanced search techniques to evaluating information and developing a thesis statement. In addition, this long-awaited revision has been completely updated to include search and citation techniques for electronic and Internet information.

The guide is supported by a rich website with a collaborative planning process for teachers and librarians and links to model lesson plans, links to instructional standards such as NETS and 21st Century Learner, links for students to use in citing sources, and resources specifically for teacher librarians. Designed specifically for high school students, this user-friendly guide maintains the academic rigor demanded by top high schools. Grades 8-12.
