After Earth: Kitai's Journal Christine Peymani

Based on the epic film *After Earth*, starring Jaden Smith and Will Smith.

One thousand years after cataclysmic events forced humanity's flight from Earth, Nova Prime has become mankind's new home. Legendary soldier Cypher Raige (Will Smith) returns to his estranged family, ready to be a father to his thirteen-year-old son Kitai (Jaden Smith). While traveling to a nearby planet, an asteroid storm damages Cypher and Kitai's ship, and they crash-land on an inhospitable Earth.

As his father lies dying in the cockpit, Kitai must trek across the hostile terrain in order to recover their rescue beacon, encountering highly evolved creatures and a ruthless alien beast along the way. His whole life, Kitai has wanted nothing more than to be a soldier like his father. Today, he gets his chance.

With black-and-white illustrations throughout, *After Earth: Kitai's Journal* is filled with action, adventure and emotion, as told by Kitai Raige himself—perfect for younger readers!

From reader reviews:

David Long:

What do you in relation to book? It is not important along? Or just adding material when you really need something to explain what the one you have problem? How about your free time? Or are you busy man? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have free time? What did you do? Everybody has many questions above. They need to answer that question because just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this specific After Earth: Kitai's Journal to read.

Jeanne Crank:

In this era which is the greater individual or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple strategy to have that. What you should do is just spending your time little but quite enough to experience a look at some books. On the list of books in the top record in your reading list is After Earth: Kitai's Journal. This book which is qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upward and review this guide you can get many advantages.

Jackie Caldwell:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this After Earth: Kitai's Journal can make you feel more interested to read.

Arthur McLaurin:
