Can blood ties be stronger than the passions that rule the heart?

Skylar Donovan has come to her late father's Colorado cabin to find answers to explain his death. Instead she meets a handsome forest ranger with a dark side. A stranger who is willing to protect her from an unknown assailant. A stranger who also appears in her dreams as something other than a man. He's werewolf, and he satisfies Skylar Donovan like no mere man *ever* has.

Gavin Harris was bitten by a monster in the hills he has sworn to protect and now searches for that beast. But his deadly mission unites him with a beautiful blonde bent on a search of her own. Neither is safe from the evil they're stalking—but the forbidden lust that burns between them might be the greatest danger of all.
