Sylvia takes us on a remarkable excursion that covers all the different types of relationships we'll encounter in life. From our childhood experiences to our golden years, she helps us see why we form both good and bad unions, and she also explores how our themes and charts of life can interact with others in both positive and negative ways—creating either lifelong love or friendship or a situation doomed for disaster. Sylvia enables us to come to a true understanding of why we have certain compulsions and attractions for some people while being totally repulsed by others. By utilizing Sylvia's marvelous insights, we can all learn how to cultivate our relationships (and sift the wheat from the chaff) in order to live a happier and more fulfilling life.
