Surviving Ireland

Colm Tobin

Surviving Ireland Colm Tobin

It's exhausting, being Irish. The constant self-flagellation is enough to put anybody off their breakfast.

Why are we so hard on ourselves? Is it the post-colonial overhang following centuries of oppression at the hands of a litany of foreign invaders? Or is it collective guilt for sending Westlife out into the wider world?

In *Surviving Ireland*, acclaimed comedy writer Colm Tobin* takes the reader by the hand for a satirical romp through modern Irish life. As well as providing all the tools you'll need to navigate this often tricky little island (except a compass or anything even resembling a fact), the book will take you through some of the country's fraught history, asking some searing questions in the process: how did we get here, where are we going and who in the name of God is going to pay for it all?

Surviving Ireland takes in culture and politics, town and country, food and drink, birth, death and everything in between. Let it be your definitive guide to this strange and bewildering rock, cowering from the cold Atlantic swells. Oh, and it's got some funny drawings in it as well.

* Not the Booker Prize-nominated author Colm Tóibín.
