The Madonna and the Starship James Morrow

Only Uncle Wonder can save us from...THE DIABOLICAL LOBSTERS FROM OUTER SPACE!

New York City, 1953. The golden age of television, when most programs were broadcast live. Young Kurt Jastrow, a full-time TV writer and occasional actor, is about to have a close encounter of the apocalyptic kind.

Kurt's most beloved character (and alter ego) is Uncle Wonder, an eccentric tinkerer whose pyrotechnically spectacular science experiments delight children across the nation. Uncle Wonder also has a more distant following: the inhabitants of Planet Qualimosa. When a pair of his extraterrestrial fans arrives to present him with an award, Kurt is naturally pleased—until it develops that, come next Sunday morning, these same aliens intend to perpetrate a massacre.

Will Kurt and his colleagues manage to convince the Qualimosans that Earth is essentially a secular and rationalist world? Or will the two million devotees of NBC's most popular religious program suffer unthinkable consequences for their TV-viewing tastes? Stay tuned for *The Madonna and the Starship*!

From reader reviews:

Elsie Canada:

Why don't make it to become your habit? Right now, try to ready your time to do the important act, like looking for your favorite book and reading a guide. Beside you can solve your problem; you can add your knowledge by the book entitled The Madonna and the Starship. Try to stumble through book The Madonna and the Starship as your pal. It means that it can being your friend when you experience alone and beside that course make you smarter than previously. Yeah, it is very fortunated for yourself. The book makes you much more confidence because you can know almost everything by the book. So , we should make new experience along with knowledge with this book.

Gary Lund:

What do you regarding book? It is not important along? Or just adding material when you want something to explain what you problem? How about your extra time? Or are you busy individual? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question because just their can do which. It said that about book. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need that The Madonna and the Starship to read.

Kimberly Silvestre:

As people who live in typically the modest era should be update about what going on or facts even knowledge to make these people keep up with the era which is always change and move ahead. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This The Madonna and the Starship is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Christopher Rangel:

People live in this new morning of lifestyle always aim to and must have the time or they will get lot of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely sure. People is human not really a huge robot. Then we consult again, what kind of activity have you got when the spare time coming to anyone of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative throughout spending your spare time, the particular book you have read is actually The Madonna and the Starship.
