It's simple. No sight. No questions. 48 hours.

Dr. Alexandra Blake is about to give a series of prestigious lectures, but the butterflies in her stomach are for a far more exciting reason....

After the lecture she is meeting up with Jeremy Quinn, esteemed doctor and dangerous ex-lover?the only person with whom she has ever let her guard down completely. After a few glasses of champagne in his luxurious penthouse suite, Jeremy presents her with an intriguing offer: stay with him for the next forty-eight hours and accept two extraordinary conditions, the first of which leaves her utterly at his mercy, and he will give her an experience more sensual and extreme than any game they have ever played before.

This scorching novel is an erotic exploration of trust and betrayal, experimentation and control, lust and love. Forget *Fifty Shades of Grey*, this daring debut will leave you breathless for more....
