Would you like to learn if your new love interest is a natural caregiver, wants to have many children, possesses keen intuition, will be a good provider, has a strong sex drive, and more? With the art of palmistry, you will have a powerful extra edge in finding your ideal romantic and sexual partner.

By analyzing all elements of a potential lover's hand, you can see if his or her personality, goals, and life outlook are compatible with your own:

- Recognize six elemental hand types?earth, air, fire, water, wood, and metal?and the corresponding personality traits for each
- Divine a person's sense of logic, willpower, and passion by interpreting the thumb's angle, shape, and flexibility
- Gauge his or her personality and communication style with one glance at the palm shape and finger lengths
- Discover a potential lover's sexual style to see if he or she will be a good match for you in the bedroom
- Interpret the heart line, head line, and commitment line as they relate to longevity, health, communication style, and emotional expression

Featuring over 150 clear illustrations and a hand profile compatibility guide, *Lover's Guide to Palmistry* offers you a complete and detailed introduction to palm reading for lovers.
