Promised Lands (Brandeis Series in American Jewish History, Culture, and Life & HBI Series on Jewish Women) Derek Rubin

This vibrant anthology showcases new, unpublished short stories by a rapidly growing crop of highly talented young Jewish American fiction writers. Focusing on the core Jewish theme of the Promised Land, all the stories were written especially for this volume. With the kind of depth and imagination that only fiction allows, they offer striking variations on the multivalent theme of the Promised Land and how it continues to shape the collective consciousness of contemporary American Jews. This anthology provides a rich reading experience and a unique window onto Jewish American life and culture at the beginning of the twenty-first century. A scholarly introduction by Rubin provides literary context, discusses the organization of the volume, and illuminates expected and unexpected connections among the stories. Promised Lands features 23 stories by Elisa Albert, Melvin Jules Bukiet, Janice Eidus, Rebecca Newberger Goldstein, Lauren Grodstein, Aaron Hamburger, Dara Horn, Rachel Kadish, Binnie Kirshenbaum, Joan Leegant, Yael Goldstein Love, Rivka Lovett, Tova Mirvis, Lev Raphael, Nessa Rapoport, Jonathan Rosen, Thane Rosenbaum, Joey Rubin, Edward Schwarzschild, Steve Stern, Lara Vapnyar, Adam Wilson, and Jonathan Wilson.
