The Pickwick Papers Charles Dickens

Samuel Pickwick, Esquire, has a habit of stumbling into the oddest situations. He and the outlandish members of his Pickwick Club pass their time traveling throughout the English countryside, reporting on their adventures to the other Pickwickians upon their safe return home.

Every literary great must begin somewhere. Charles Dickens began with “The Posthumous Papers of the Pickwick Club”. Now referred to as “The Pickwick Papers”, Dicken’s debuted with a bang; his slow takeover of the monthly publication eventually became a smash-hit and inspired joke books, theatrical performances, and scores of other merchandise. The publication was eventually published as Dickens’ first novel. The biting satire and caricatures foreshadowed many of Dickens’ following literary masterpieces.
