Blue Dixie: Awakening the South's Democratic Majority Bob Moser

A powerful case for a new Southern strategy for the Democrats, from an award-winning reporter and native Southerner

In 2000 and 2004, the Democratic Party decided not to challenge George W. Bush in the South, a disastrous strategy that effectively handed Bush more than half of the electoral votes he needed to win the White House. As the 2008 election draws near, the Democrats have a historic opportunity to build a new progressive majority, but they cannot do so without the South.

In *Blue Dixie*, Bob Moser argues that the Democratic Party has been blinded by outmoded prejudices about the region. Moser, the chief political reporter for *The Nation*, shows that a volatile mix of unprecedented economic prosperity and abject poverty are reshaping the Southern vote. With evangelical churches preaching a more expansive social gospel and a massive left-leaning demographic shift to African Americans, Latinos, and the young, the South is poised for a Democratic revival. By returning to a bold, unflinching message of economic fairness, the Democrats can win in the nation's largest, most diverse region and redeem themselves as a true party of the people.

Keenly observed and deeply grounded in contemporary Southern politics, *Blue Dixie* reveals the changing face of American politics to the South itself and to the rest of the nation.
