Chapel Street (Oberon Modern Plays) Luke Barnes

‘If I died tomorrow, I would have died having done nothing.
So I made a promise there and then that we would live
tonight like it was our last’

He’s been let down, belittled and ignored but tonight none of that matters – it’s Friday and Joe is getting smashed. Kirsty has bought some vodka on the way home from school and is hastily shaving her legs with her friend’s dad’s razor. As bottles are drained and the sun sets the two hit the town, neither aware that soon their lives will irreconcilably collide.

Chapel Street is the debut play from one of the UK’s most exciting new writers, Luke Barnes. Crackling with energy and dripping with humour it is an acerbic yet compassionate portrait of good times gone bad for a betrayed generation, which carries a pertinence in the wake of David Cameron addressing ‘Broken Britain’.
