For centuries, the merchant-princes of the Lyran Commonwealth survived as much through economic might as by the cloak and dagger, steadily growing in strength until their influence could be felt across the Inner Sphere. Now emerging from the ruins of a short-lived alliance and a bloody civil war, a bold new identity has taken hold of the people united under the mighty fist of House Steiner.

Kicking off a new series, Handbook: House Steiner? brings the essential history, politics and culture of one of the Inner Sphere's most powerful nations to life for a new generation of Classic Battletech? players. More than a mere sourcebook, Handbook: House Steiner provides rules for both Classic BattleTech and Classic BattleTech RPG? campaigns, including new personal equipment, creatures, life paths, and more -- all tailored for players and campaigns based on the Lyran state!
