Star Trek: The Captain's Table #6: Christopher Pike: Where Sea Meets Sky (Star Trek: Enterprise)

There's a bar called "The Captain's Table," where those who have commanded mighty vessels of every shape and era can meet, relax, and share a friendly drink or two with others of their calling. Sometimes a brawl may break out but it's all in the family, more or less. Just remember, the first round of drinks is always paid for with a story...fishy or not.

Years before Kirk took command, Captain Christopher Pike guided the *Starship Enterprise*TM on a five-year mission. Pike's journey took him to many new and unexplored realms, none more strange or perilous than a devastated star system where huge, space-faring lifeforms, vital to the survival of one inhabited star system, wreak havoc on the humanoid inhabitants of the other. Captain Pike must thrust the *Enterprise* into deadly danger as he fights to save one innocent civilization without dooming the other.
