## Taking Sides: Revolutionary Solidarity and the Poverty of Liberalism

"*Taking Sides* is more than a book; it's a politic aimed at the heart of every radical struggling against a racist state." —Luis A. Fernandez, author of *Policing Dissent*

*Taking Sides* is a critical response to divisive debates within current movements against police violence and white supremacy, especially since Michael Brown's murder. These sharp interventions ask activists to avoid easy—and safe—answers and take on the hard work of building real grassroots solidarity across racial lines.

**Cindy Milstein** is author of *Anarchism and Its Aspirations*. Her essays appeared in *Realizing the Impossible*, *Confronting Capitalism*, and *Globalize Liberation*.
