Valley of the Shadow: A Novel Ralph Peters

In the Valley of the Shadow, they wrote their names in blood.

From a daring Confederate raid that nearly seized Washington, D.C., to a stunning reversal on the bloody fields of Cedar Creek, the summer and autumn of 1864 witnessed some of the fiercest fighting of our Civil War—in mighty battles now all but forgotten.

The desperate struggle for mastery of Virginia's Shenandoah Valley, breadbasket of the Confederacy and the South's key invasion route into the North, pitted a remarkable cast of heroes in blue and gray against each other: runty, rough-hewn Phillip Sheridan, a Union general with an uncanny gift for inspiring soldiers, and Jubal Early, his Confederate counterpart, stubborn, raw-mouthed and deadly; the dashing Yankee boy-general, George Armstrong Custer, and the brilliant, courageous John Brown Gordon, a charismatic Georgian who lived one of the era's greatest love stories.

From hungry, hard-bitten Rebel privates to a pair of Union officers destined to become presidents, from a neglected hero who saved our nation's capital and went on to write one of his century's greatest novels, to doomed Confederate leaders of incomparable valor, Ralph Peters brings to life yesteryear's giants and their breathtaking battles with the same authenticity, skill and insight he offered readers in his prize-winning Civil War bestsellers, *Cain at Gettysburg* and *Hell or Richmond*.

Sharp as a bayonet and piercing as a bullet, *Valley of the Shadow* is a great novel of our grandest, most-tragic war.

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
