*Botanical Serigraphs: The Gene Bauer Collection* features serigraphs and narrative text from handcrafted, limited-edition booklets about arboreta and gardens throughout the state of California. As an avid member of the California Garden Club in the seventies, Bauer dedicated herself to creating a series of booklets to capture the experience of touring gardens found in the club's districts. With a mission to better acquaint people with gardens in the area, Bauer created sixty-one issues of these booklets, which she mailed to club members. *Botanical Serigraphs* was made possible because original recipients and collectors of the booklets returned them to Gene after her personal collection of booklets was destroyed in a 1997 wildfire. Her attention to detail and keen sense for the extraordinary makes this book an excellent gift for artists and garden enthusiasts alike.
