Business Communication: Process and Product Guffey/Rhodes/Rogin

"Business Communication: Process and Product, Brief Edition" takes students through a well developed, consistently applied approach to communication that is combined with integrated application of current and emerging business technologies. Students learn a process for solving future communication problems, and how to use the Internet and electronic media to deliver their messages, resulting in a tangible communication strategy they can use throughout their careers. NETA Testbank: The Nelson Education Teaching Advantage (NETA) program delivers research-based resources that promote student engagement and higher-order thinking and enable the success of Canadian students and educators. This book's premium testbank is designed to ensure top quality multiple-choice testing by avoiding common errors in question and test construction. If you want your students to achieve "beyond remembering", asks your Nelson Sales Representative how today.
