Evidence for Faith 101: Understanding Apologetics in Plain Language (Christianity 101®) Bruce Bickel, Stan Jantz

With their conversational style, Bruce Bickel and Stan Jantz present Christian apologetics without clichés or rhetorical arguments. This informative duo tackles vital questions people of all ages and beliefs are asking and presents evidence from our world, from history, and from the lives of people who have been changed by something bigger than themselves.

- If 2 billion people claim to follow the Christian faith, why isn't the world a better place?
- If the God of the Bible is so great, why is there suffering?
- Why do Christians claim there is only one way to God?
- Is Jesus human or divine—and how can we know?
- How can we know whether Christianity is more than just a good way to live?

Bruce and Stan show how Christianity is a faith that touches the heart, and it is a faith you can *know*. *Evidence for Faith 101* invites seekers, challengers, and believers to consider the evidence as they form and understand their convictions about God.
