The Gospel Music Truth: How to make it in the Nick Bruno

Nick Bruno has lifted the bar for all other writers. Never have I read a book about Gospel Music that was so informative while being very entertaining. Every question, every thought, every concern, everything you can imagine, is addressed in this well written source of knowledge. "The Gospel Music Truth" is well overdue and I am honored to call Nick my friend! -Ivan Parker Nick Bruno is something of a contrast in gospel music. He is first a New Yorker who came from the heart of the nation's largest city, and second, he is Italian. You won't find many who carry those credentials in gospel music. But those traits did not hold him back. The story of Nick Bruno's entry into gospel music is the same as others-how his interest was generated, breaking in, being in the right place at the right time, and, above all, the training he had that qualified him for his place in the scheme of things. Fledgling gospel musicians and singers can learn much from his expertise, which he is happy to share in these pages.
