Authorship of this salacious literary classic has been attributed to either of two men: William Simpson Potter, author of two books of letters on the Prince of Wales, or Edward Sellon, who produced other erotic novels. The protagonist of "The Romance of Lust", Charlie Roberts, exudes an insatiable sexual appetite, to which he was initiated by early sexual encounters with siblings, governesses, and later with various friends. It was originally published in four volumes during the years 1873-1876. Due to the explicit nature of the language and nature of the novel, which often describes in graphic detail quite unrealistic sexual positions and scenarios, it was banned in the United States for some time. Scenes of various sexual activities shock even today's readers in what has become known as the quintessential erotic Victorian novel, earning the virile young Charlie Roberts the designation of hero of the Victorian sexual underground.

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Romance of Lust can make you experience more interested to read.
