*"Didn't I tell you you'd never be free of me?"*

When Sadie Hoffmiller receives a threatening, anonymous text message just days before her wedding, she's determined not to let it interfere with the celebration she has carefully planned for months. But when the threat changes from a distant fear to a frightening reality, Sadie realizes just how much she's underestimated the situation. Desperate to put an end to the game she's been forced to play, Sadie, her fiancé, Pete, and her children pull out all the stops—resolved to stop running and see justice done. What they don't know, however, is just how far Sadie's nemesis is willing to go and just how many people may be hurt in the process. There's no turning back for anyone in this riveting conclusion to the twelve-volume series, and the question becomes whether or not Sadie will have a future left when the game finally comes to an end.
