Recognize and refute the Far East false religions

- What do these religions teach and why?
- How can a Christian be an effective witness for Jesus Christ when presented with ideas that are so different from a biblical perspective?
- How can these religions be refuted and biblical authority be the standard?

This eye-opening second volume deals with many Eastern religions like Hinduism, Taoism, New Age, Sikhism, Confucianism, Shinto, and Buddhism, as well as other pagan-based systems like Witchcraft, Voodoo, and Greek mythology (and many more)! This volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short. Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies and discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible.
