"May your bed stay warm, your bowl stay full, and may you live a long and healthy life." Long live Ireland, the isle of myth and mystery, proud haven of poets and saints, land of wisdom and courage . . . and home to many adorable Irish dogs. From beloved pet photographer Kim Levin comes another winning collection of dog photographs, this time coupled with Irish sayings and blessings written by her husband, John O'Neill. *Erin Go Bark!* celebrates the land of the shamrock and its gift for blarney by showcasing some of the country's cutest four-legged lads and lassies. May you seek revenge on the person who named you "Scruffy." May you see the inside of the door as often as you see the outside. May the "big dogs" be careful whom they mess with.
