Let the Servant Church Arise! explores all aspect of Christian servanthood and how it can have a profound effect on both church and civil communities. Encourages readers to discover purpose and meaning in life through serving others. If the servant church is to arise it will not come as a wordy edict from powers in high places. It will not come through a well-written curriculum, an increased budget or improved infrastructure. The servant church will arise as it always has, fueled by the gracious acts of individual believers who have heard the invitation and been faithful to the call.
