The Choice: Death Is Just The Beginning (Volume 1) Slade Combs

“What’s happening to me?” a young man named Jonas asks as he looks into the eyes of his Aunt Claire—a woman who’s been dead for over twelve years. Like most people, Jonas had no idea his time had come, nor is he prepared for what he’s about to face next. He had assumed he would be taken to an afterlife full of puffy clouds and golden harps, but instead, he is met with a cold, terrifying revelation: “Heaven isn’t a place you can go to escape your fears,” his aunt says, “it is a place for those who have already faced them.” Little did Jonas know, in order to get to heaven, he would need to find the courage to walk through hell first. The Choice is a novel that takes us through some of our worst fears in order to find a beauty and hope that transcends even the most heart wrenching pain. Cross over to the other side and explore the meaning of life from the perspective that only death can provide.
